Am I O.K.?

I want to see a
nurse!

**I want to see a
doctor!**

Who are you?

Where is my
family?

Where is my
husband?

Where is my
wife?

I am in pain!

**BRING ME
DRUGS!! NOW!!**

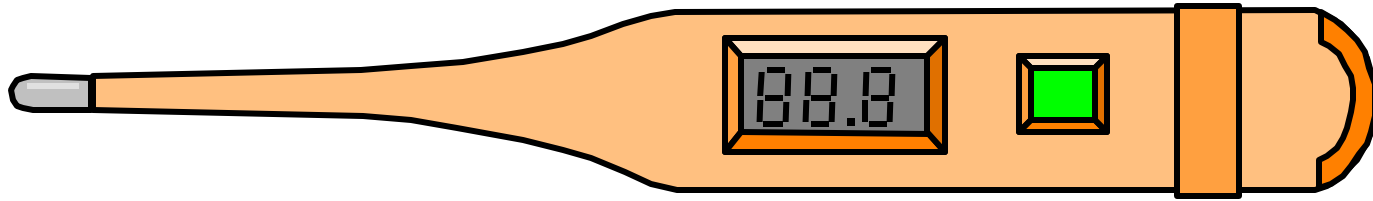

I am afraid of
dying!

I am thirsty!

If I can't have
water, please
swab my mouth
out.

My lips are so
chapped they
burn!

Please have my
family bring
chapstick

Do I have fever?

I feel hot...
Please put ice
on my wrists.

I feel hot...

Please put a
cold cloth on my
forehead

I feel shaky &
nervous.. What
drug is causing
this?

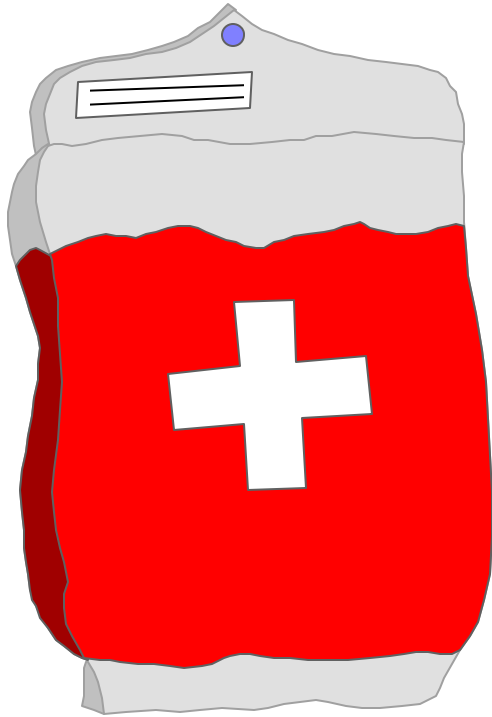

Keep talking to
me.. tell me
what happened.

Am I sliced up
down to my
toes?

What are all of
these hoses?

How much
blood did I
lose?

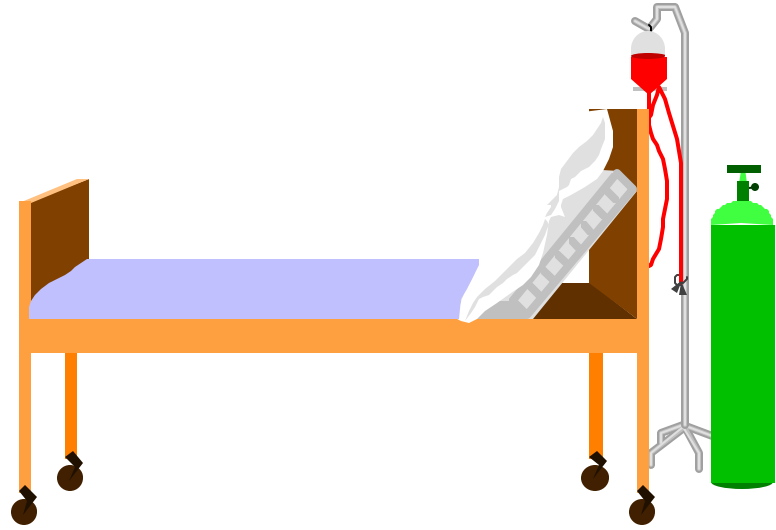

Was I given
blood?

How much?

I am cold..
please bring me
a blanket.

Please keep the
call button
where I can
reach it.

Please sit me
up.

When
can I go
home?
